

# INTRODUCING \$6 CAB RIDES ANYWHERE DOWNTOWN!

## The fastest, easiest way to explore downtown!

Late for a meeting? Want to try out that new lunch place across downtown? Need to run some errands without your car? Now you have an easy option for getting around downtown without any of the hassles. Six in the City makes traveling within downtown a walk in the park!

### For people on the go.

The \$6 cab fare applies to a trip, pick-up and drop-off, anywhere within the Downtown District, bounded by I-45, I-10 and U.S. 59. With double the amount of cab stands now downtown and the ability to hail a cab when you need it, we're making those shorts trips easy and affordable.
